Medical Society Meets.

The Powell County Medical Association met at Stanton Monday, March 5th, in the office of Dr. Johnson and held a very profitable session. The following officers were elected: Dr. B. Littlepage, President; Dr. Seay, of Rosslyn, Vice Pres.; Dr. I. W. Johnson, Sec. and Treas. Dr. Mansfield was appointed delegate to attend the State Medical Meeting at Owensboro in next October. The next meeting will be held at Stanton the first Monday in May. All M. D.'s are urged to come out as there will be important business.

Another Planing Mill for Clay City.

It is currently reported that Clay City in the near future will more than likely have another big planing mill. Here's hoping the report is true, as any such business is a welcome guest. The report comes to us pretty straight, and it's a fact that business men, men of sufficient capital, are seriously considering the project, and the matter is looked upon by them with great favor. If present plans are fully consummated the plant will likely be in operation by the middle of the year.

Returning Home Very Ill.

John W. Burgher, who a couple of years ago enlisted in the United States Army, is on his road home, but has for a few days been held up at Cincinnati for a rest, and to receive the treatment of a specialist. He is suffering from hemorrhages of the lungs and is in a very bad condition.

A Good Law.

The House at Washington Tuesday passed without opposition a bill for the relief of tobacco growers by permitting them to sell leaf tobacco without paying the tax of six cents a pound heretofore charged.

We trust that Representatives from the North will pause long enough in their efforts to reduce the representation from the

Southern States on account of their alleged treatment of the negro, to read the very exciting news that was sent over the wires from Springfield, Ohio where they have been burning out the negroes and running them out of the city.
